She now lives in her apartment with her 9 month old daughter. She was in a very abusive relationship and it was urgent that she leave the situation. She left in the middle of the day with only what she could fit in a bag for her and her daughter. She left behind everything because she finally believed that her time was running out and one day her abuser would just kill her. She is so grateful for the things that she received from Fresh Start.

Help a family get a
Fresh Start for only
\$25 per
month

Dear Sponsor,
You may have heard the recent news facing our local shelters. Domestic violence incidents have risen sharply this year. The shelters are filled to capacity and for the first time, shelters may have to place families on a waiting list.

This news has caused a ripple effect for our organization. As shelters scramble to make room for victims fleeing abusive homes, we are receiving more referrals to assist families transitioning out of shelters into their own homes. In fact, in the last month three additional shelters have requested our program services!

We are glad for the opportunity to help more families so they don't have to return to their abusive homes, but we need your assistance to keep up with the demand.

Because of your past support, we are asking you to consider sponsoring a Fresh Start family.

For just \$25/month, your gift will provide a new family with:

- ❖ Furniture/Household Items
- ❖ Life Skill and Empowerment Workshops
- ❖ Employment and Educational Assistance
- ❖ Case Management Services

Could you please help a family break away from a home **filled with terror and sadness**?
Thank you for your consideration to this special request.

Peace and Blessings,
Judith House
Founder/Executive Director
